2017 ANNUAL SPRING CLEAN-UP

9-11 a.m. Saturday, May 20th

Greetings Westhaven Neighbors! A community clean-up event has been organized for this coming Saturday, May 20th, 9:00 - 11:00 a.m. We'll assemble at the blacktop play area next to 7319 Westmore Drive before going through the community picking up trash and debris. Trash bags and gloves will be provided.

Our previous Community Clean-Ups have been hugely successful as neighbors join together to get to know one another while having a significant impact on the appearance of our community. Hope to see you there.

Rain Date: May 27th
